

ATTACHMENT 1

BEHAVIOR BASED QUESTIONS

Please describe how you have addressed the issue of the achievement gap for students in your school or classroom?

Describe a classroom management plan you have used and why it has worked?

Describe an approach you have used to differentiate instruction for your students?

While a lesson is ongoing, how can you tell if students are “getting” the material?

How have you evaluated your own teaching to improve?

Describe positive communications with students’ families that you have used in the past?

Tell me about a lesson you taught and why it went well?
