

Mentoring Program

2011 – 2012

Dear Colleague,

On behalf of the CONTACT_Con-40BE20711 \c\s\l Danvers Public Schools, we would like to welcome you to the Mentoring Program for the 2011 – 2012 school year. As coordinators, our goal is to refine the program yearly so that those involved are able to find the satisfaction and support they need throughout the academic year. To that end, we have compiled this resource handbook. We hope that the materials included will be helpful to you as you begin your relationship with your mentor/mentee, and we encourage you to contact us during the year if we can be of assistance to you in any way.

Good luck to both of you as you embark on this most crucial professional journey!
