

**Barnstable Public Schools**

**National Institute for School Leadership (NISL) Cohort I & II  
Implementation Planning: June 3, 2014**

**Team Report**

**Team:** *(District, High School, BIS, BUES, Elementary)*

**Members:**

Team Discussion Questions:

What success did you have implementing your NISL Action Learning Project (ALP)?  
What lessons did you learn from the experience?

What do you feel should be the focus for your school/district for the 2014-2015 school year? Does your School Improvement Plan reflect this focus?

What aspect of your NISL training do you feel will help your school the most in addressing this focus? What professional development support do you need in order to succeed in this area?

(For school teams) What is the status of your school's Instructional Leadership Team (ILT)? What would help improve the work of your ILT?

Please list the next steps that need to be taken before October to assure that your school/district continues to improve instructional leadership that guides, directs, and supports instructional change that leads to increased student achievement.
